Vicki Kitchen
Clerk Treasurer, Town of North Liberty
P.O. Box 515
North Liberty, IN 46544

Dear Ms. Kitchen:

I regret to inform you that the Town of North Liberty did not receive a Brownfields Site Assessment Grant from the Indiana Finance Authority (IFA) during the second of three grant rounds for the 2005 calendar year. Funding requests for this round were more than the amount allocated for the round and thus the round was highly competitive. Unfortunately, your application did not receive a recommendation for funding at this time based on a combination of factors. I am happy to discuss our decision with you by phone.

In closing, please let me emphasize that the IFA applauds the Town's efforts at redeveloping its brownfield properties. IFA will continue to work with the Town, its consultant, and other interested parties to encourage brownfield redevelopment in your community. Please do not hesitate to call me at (317) 233-4332, and I look forward to talking to you soon.

Sincerely,

Sara Westrick Corbin
